Dear Family and Friends,

June 2018

We arrived in the states on May 1, 2018. Praise the Lord for a safe trip. Bro. Eric Hargis met us with our leased vehicle on May 3rd and we started traveling that day to begin attending the graduations of dear friends and family members. First we had the pleasure of being at an adopted granddaughter's high school graduation in Wilburn, Arkansas. Secondly, we drove two days to attend our nephew's college graduation from Pensacola Christian College in Pensacola, Florida. Many family members were there and we enjoyed a good time of fellowship with all who attended. While in the area we were also able to visit one of our supporting churches, West Florida Baptist Church and Pastor Mike Brown and his wife and share what God is doing in the Philippines. We then took a trip back to Oklahoma City to see our son, Danny and our daughter-in-law, Alma and three of our ten grandchildren. It was a great time with beloved family members.

Thanks to Bro. Ron Burke and his wife Vicki we were also able to finish our video presentation which we were planning to use while we are on furlough. Thank you again for your sacrifice and time put into this endeavor. May God bless you richly.

We had many doctor and dentist appointments while we were in Oklahoma City and according to all the blood work and screenings we are still in good health. We don't take this lightly, but consider it a blessing from the Lord.

On our next trip we visited another supporting church, Liberty Baptist Church, and Pastor Rick Brooks and his wife Karen in Searcy, Arkansas. Once again we were blessed to see good friends who have faithfully supported us through the years. On our way to North Carolina to see our oldest daughter Cindy, her husband Brandon and two more grandchildren, one of which was graduating from high school we had an extra blessing. We were able to spend just a few hours with some friends from the past, Bro. Mike Hampton and his wife Margarete. They were a blessing to us when we first started deputation back in 1981 as they allowed us to park our travel trailer in their back yard at that time. Thank you this time for your thoughtfulness and kindnesses shown to us while on furlough.

Just this past Sunday, on Father's Day, we were in another supporting church, Fellowship Baptist Church and Pastor Rick Finley and his wife, in Durham, North Carolina. It has been a blessing to be a part of this church's missions program since the 1980's. It was a blessing to see and fellowship with an old classmate of mine, as well, from Oklahoma Baptist College, Bro. Wendall McKinney and his wife Dianne. Thank you so much for your hospitality and thoughtfulness through the years.

"Thank you", friends and family, once again, for all your love and prayers and financial support. Please pray for continued safety on the road as we continue our travels while on furlough.

Your Servants in Christ,

Dan and Beth
