Dear Praying Friends,

Thank you for your faithful prayers and support. The Lord is doing great things in Xalapa. Since moving to our new building, there have been over 50 people saved. We've had many visitors, and most have returned many times. Adriana is 12 years old and is faithful to all our services including our weekly Bible Study. She's a real blessing. Last night she showed up to go visiting with us before church. On Sunday morning Claudia and her daughter are faithful to church. Daniel our church neighbor, runs a store from his house. He has attended several of our services, though he belongs to a different church that they attend Sunday mornings. We are so encouraged by those that return.

We have been blessed with 2 churches that have sent people to help us visit and bring people to the Lord. They have helped this ministry in so many ways. I know the Lord will bless them for the work they have done for our church.

Last weekend was the first anniversary for Iglesia Bautista La Fe. We celebrated with a conference on Saturday. We invited the people that come to our church, as well as pastors and their families in our area. Some brought a few of their church members as well. We rented chairs and covered our church driveway with a large tarp, because our building is too small for a large group. We had another missionary preach, and then we served food and fellowshiped. We had over 100 attend. On Sunday we celebrated with a different missionary preaching and served an anniversary cake. It was a great weekend serving the Lord.

We are needing to purchase chairs soon. We only have 15 of our own. We have been barrowing some from another church since moving to this building. We are hoping we can return them soon. We also will be needing more hymnals. We had only purchased 30 last year as they are quite expensive.

Please continue praying for our church and this ministry. The Lord is continuing to do a work here.

Serving Him,
Ernie Flores Family
