

As ye have therefore received Christ Jesus the Lord, so walk ye in him: Rooted and built up in him, and stablished in the faith, as ye have been taught, abounding therein with thanksgiving. Colossians 2:6-7

There is so much to be thankful for. Not only during this precious Thanksgiving holiday, but every day we are thankful for his mercies. God has given us so much. This month is our 25th year serving the Lord here in Mexico. He has given us a wonderful church family, and he has given us a Ministry that allows us to serve Him and others. God is more than merciful to us!

It fills our heart with joy to announce that the concrete for the roof top from the new mission has been poured. The church building will have room for 150 people. We are so thankful that now there is a comfortable building where people can go and hear the gospel.

Emmanuel Baptist Church, the first church we started, celebrated their 25th anniversary. They had a special service and a wonderful fellowship afterwards. It is great to know that God has been faithful for all these years and will continue to do so.

During the month of September, the students from the Bible Institute returned from their summer break. They are ready to continue and eager to learn more from God's word.

We hope you enjoy this holiday with your loved ones. We are especially grateful for each one of you. You make our ministry in Mexico possible. We love you.
