MISSIONARIES TO THE KIWI PEOPLE

HARVESTING THE FIELDS OF NEW ZEALAND

Dear Church Family,

October 2018 Update

Hello from Devin, Amy, Micah, Faith and little Hope. We trust the Lord has been good to you these past few months. We thought we might begin this letter with some exciting news! Amy is expecting baby #4! She is ten weeks along now and is glowing. Micah has been praying for a little brother. It is too early to tell, but we are looking forward to finding out if that is the case. Either way, we are thankful for this little gift from God.

We do want to thank everyone who has taken the time to pray with us for the missions group that visited us from the United States not too far back. It was such an exciting visit with the team. Our VBS had roughly 60-70 kids. It was a blessing to see God work in the hearts of the children that came. They really were a blessing!

So many have visited our church this past month! More than that, several have come to trust Christ these last few weeks. One in particular, is a young man named T.J. who has started discipleship classes in his home. He is keen to learn and is very open. Pray with us for him. He is confined to his home and cannot come to church.

We would ask that you continue to pray for direction for our family. It has always been our desire to branch out independently since we arrived, but that opportunity still has not presented itself. The more we struggle with immigration the more complex things seem to be getting. I am amazed at how many barriers can be placed in one's way to prevent them from doing what they so desire to do. But we know God sees the trials we face and are grateful to serve our King: *"I had rather be a doorkeeper in the house of my God, than to dwell in the tents of the wicked (Psalm 84:10)."*

We are so thankful for all you do for us. We always feel honored to have friends in Christ who continue to hold up our arms here on the field. We could not be here without you.

Your Servants in Christ,

Devin & Amy Frost
