

# Brittens to Britain

**Sending Church:** New Life Baptist Church, Chiang Mai, Thailand

For August / September 2018

Dear Friends,

We thank you kindly for your support and prayers (it is always a great source of encouragement). I have been on the mission field, here in England, for over two months and it has been a busy time.

The church has made me feel welcome from the outset and I am looking forward to serving here. It has been a pleasure getting to know the members of the church and also some of our regular visitors. If I could ask you to remember in your prayers one man, David, who regularly attends church services and supports ministry activities but has yet to profess faith in Jesus Christ.

Market Harborough is a comparatively well-off town with less multi-cultural influence than some of the nearby bigger towns. I'll be doing some street preaching/evangelism in the town of Corby close by on the 4th August with one of my aims being to assess how that strategy in presenting the Gospel could work in Market Harborough. I would appreciate your prayers for wisdom and spiritual discernment in this ministry avenue.

I am delighted to tell you that I have started a small bible study with two blind ladies, Annie and Kay, who are neighbors of mine. They are both saved but their spiritual growth has been neglected over the years. Kay especially delights in reading Her braille version of The Gospel of John that

arrived last week (and keeps apologizing for reading ahead as I try to assure her that is a good thing to do). Kelvin, another neighbor, was initially coming to the studies but has since stopped. He has endured some hard circumstances in his life and I would be grateful if you would remember him as a salvation prayer request.

Please continue to pray for Linda's spousal visa and Mai's UK passport application. The solicitors we have been using contacted me last week and requested all the paperwork for Mai's passport be ready to submit to the Home Office. I was hoping to have some news about Linda's visa before sending out this prayer letter, but it's not to be and the wait goes on.

I would like to mention a praise. The costs of moving to the UK are considerable. One of our supporting churches recently wrote and asked what needs we have. I mentioned I'm in the market for a second hand car (a reasonably good one and preferably a 7 seater for our family). The church voted to provide a significant amount towards this need. I would like to express our thanks for this particular gift and for all the regular support we receive. I am here today because you make it possible.

Thank you so much. It is a privilege to serve the Lord in partnership with you.

Kindest regards,  
Tom & Linda
