Church Planters in Belarus

August 2018

Dear Pastor and Congregation,

We thank God for his faithfulness. We often fail, but God never fails and neither does his word. We just received our residency permits for the next year. We are so thankful that the process was trouble free and without delay. There have been times when we have had trouble. We live in a new location in Minsk which meant we needed to go to a different office. There is always an uncertainty with the new and unknown, but as I said, God is faithful.

Our New Location

I mentioned before that we moved to a different location. The place is bigger and this allows us to have a Bible study that will accommodate more people. We live on the ninth floor and are surrounded by young families. There is a great opportunity here for reaching people with the Gospel. We have already made new friends and have begun to make new acquaintances as well. I want to give you our new mailing address. Ul. Nemanskaya 9-212, G. Minsk, Belarus 220017 BELARUS. We do appreciate everyone who sends us letters and cards. They are an encouragement to us!

Bible Study

We have continued the Bible study through the summer and have had decent attendance considering all the vacations and traveling that people involve themselves with during the summer. We have been able to maintain contact with the men we have been working with. They are not saved, but there is an interest in the Bible. We are trying to lay a foundation for a true conversion. Our goal is to find key men that can launch our ministry into directions that we would not be able to otherwise go. Through key men we can reach people that we would never have contact with. Anatoli and Max are two of the more faithful men. Neither are saved as of yet, but Max has started studying the Bible. Please pray for these two men and for God to send us other men that will have open hearts.
