

May-June 2018

Dear Pastor and Friends:

Greetings in the name that is above all names, which is our Lord Jesus Christ. We will never forget the day He sent a Missionary to our place to bring us the gospel so we could be saved and we thank the Lord for allowing us to serve him also as a Missionary to my people in Mexico. God has allowed us to start 27 churches, which all of them have a national pastor working full time for the Lord, a Seminary by Correspondence, the New Life Baptist Seminary and the Printing Ministry. And all of this is only by the **"Grace of God"** and through your faithful prayers and financial support that we can serve him to greatest extent. We thank each one of you from the bottom of our hearts and we count it a honor to labor alongside with you in sharing the gospel with others. **! This is what its all about!!**

God has really blessed the ministry, only in these past two months there has been 45 saved while I have preached, that is not counting the ones that have been saved in the 27 churches. We can only say, **"To God be the Glory"**

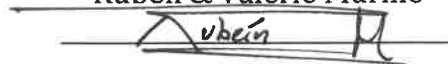

On May the 5th we graduated 9 students in our Seminary. It's a blessing to see these students graduate and go back to their places and start working for the Lord, some preaching, others as Missionaries, others as Evangelist, and others working in the children ministry. It's a blessing to see how many of the young girls meet their soul mate and later get married and go out and start a ministry together. Thank you for your prayers for this ministry. Pray for this new generation that will begin in the month of September.

We will be having our **"Annual Pastors Conference"** this month of June. We are expecting around 100 preachers and we are praying that God will open up the windows of heaven and send down his blessing upon us. This conference is a blessing to many preachers through out Mexico. So please pray for us this week of June 25th-28th. That God will speak to our hearts through his word.

My wife and I appreciate all you do for us. Please keep us in your prayers. My wife will be having surgery on her Cervical Disc in July. Please help us pray that everything will turn out good, we surely know that **"God has everything under control."** She has been in much pain and this is the only solution. Pray for her recovery and that God will supply what we need financially. We do have medical insurance, but our deductible and what they charge at the hospital is about \$1,900.00 (dolls)

Thank you again for your love for you Missionaries, only God knows how honored we feel to be co-laborers with you in the ministry.
