

Missionaries to the Philippines

7,000 Reasons to Reach this Country of over 7,000 islands

June/July 2018

Dear Pastor and Praying Friends:

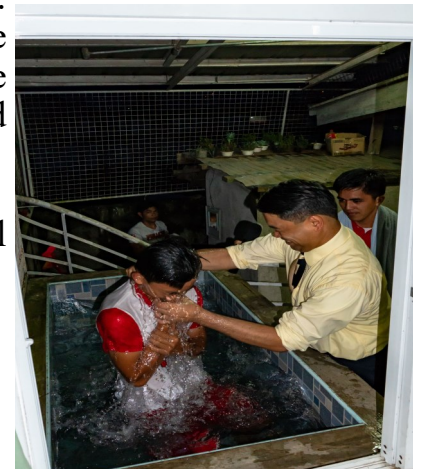

The last few months have been busy here in the Philippines. We finished our Bible College during the first week of May and then went straight into Vacation Bible School. Almost 100 children came every day for 4 days. God worked and many children were saved. We had a graduation/award service on Sunday. Some of the parents came to church as first time visitors on Sunday to see their child get an award. The Gospel was given and thank the Lord for those who were saved during the service. The second church we started a few years ago also had their vacation Bible school with over 30 children attending every day. They also had their Sunday graduation/award service with first time visitors attending. We thank the Lord for the souls that have been saved at the second church.

This is all possible because of your financial support for us in the Philippines. The very next week 14 of our young people attended youth camp. We praise the Lord for these young people as they make decisions to serve the Lord with their lives. Mother's Day service was exciting with over 25 mothers in attendance! In the month of June, we celebrated Father's day with 14 fathers attending the service! One of our members has been praying for her father to come to church for many years. Recently, her father came and was saved. Please pray that he will continue to come.

We started another Home Bible study a few months ago in a neighboring town 45 minutes away. The family has already called on the Lord Jesus Christ for salvation. Please pray that more of their neighbors would come and join in the Bible study. The Home Bible studies are a way to reach out into the community and give the Gospel. These new converts recently attended our Sunday night service. Attached are photos of recent baptisms.

We want to thank you again for your love, prayers, and financial support.
