

Brittens to Britain

Sending Church: New Life Baptist Church, Chiang Mai, Thailand

For December / January 2019

Dear Friends,

A big 'thank you' to you all. Thank you for being faithful to our ministry through what has been a challenging year for us. Our family is now reunited and we are excited to be serving in the ministry in Market Harborough, England.

2018 has been a year of transition. I arrived in May, Linda and our two daughters arrived in August and now, finally, our son has joined us having received his UK passport in November. As you can imagine we are delighted to be together for Christmas. So, thank you for your giving and prayerful support.

We have a packed schedule for December. Actually, the church has already hosted our annual Christmas lunch outreach. We had 36 guests that we catered for and the Gospel message was well received. Other outreach programs this month include evangelism during late night shopping on the 7th, our candle-light service as well as the regular church ministries going on. There are people that have attended these church activities for a number of years but are not saved. Please pray specifically these people will respond to the Gospel.

Please continue to pray for the two blind ladies, Kay and Annie, with whom I do a Bible study. I have been encouraged by their continued enthusiasm to learn and grow. While I have managed to involve them in our church activity days, due to their location and situation it is a challenge to arrange something for them on a more permanent basis. I am praying for more direction in this ministry for the coming year.

The family have needed to make some adjustments. Linda has been to the doctors for muscle and back pain that the colder temperatures seem to exasperate. We are due to find out what the blood-test will reveal next week. Prayers for Linda's health, and for all of us as we face our first UK winter are very much appreciated.

Please allow me to take this opportunity also to mention that our clearinghouse (CMC) require December's support be sent before the 14th of this month (due to the holiday period). We thank you for your understanding in this matter.

Have a wonderful Christmas and New Year. Thank you all again for being such a rich blessing.

The Britten Family
