November/December 2018

Dear Praying Friends,

Thank you for your faithful prayers and support. Without you, it would be more difficult reaching the people of Xalapa. The Lord is answering your prayers for Iglesia Bautista La Fe.

November and December flew by as they were our busiest months. We had several preachers come and preach for us. We also had our first church Christmas party. It was wonderful to see our regular folks and many new ones. We enjoyed the message preached, the meal the Lord provided, and the sweet fellowship.

We also had a Family Day in December. We had a great turn out with many saved. One lady that was saved returned that night testifying how after being saved that morning, she felt nothing but peace. She talked about her daily life being days of worry and trouble but was enjoying the Peace of God. Still praising the Lord! Our church provided boxes of food for each family that came, and the kids received balls and candy.

There have been many saved during visitation in the last few weeks. The Lord is doing great things in Xalapa. We are very excited in watching Him work.

Our family suffered a great loss recently as our daughter Monica, and son in law Troy, lost our first grandbaby after 6 weeks of pregnancy. I ask that you pray for peace and comfort for them.

I would also like to ask prayer for my health. I have been having some health problems for a while and have had many tests run with no real answers. I'm hoping to have more tests done when we return to the states next. Please pray we will find the help I need as we don't have health insurance. Pray we will find answers.

Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in our time of need. Hebrews 4:16

We are very much looking forward to 2019 and what the Lord is going to do. Thank you again for your part in our ministry.

Serving Him,
Ernie Flores
