BRASILNASH

To : Greetings in the Name of our Lord and Savior Jesus Christ.

We have come to the end of 2018 experiencing the blessings of the Lord. We have accomplished some of our goals, tried to prolong some of our goals, and we have made some new goals that we are developing with several pastors and friends. We also have some prayer requests to share with you.

One of the goals in 2018 was to finish our part of the task in another Bible Institute. In October we taught our last classes in Avelino Lopes and in November we held the graduation service. We had the privilege to offer 12 men and women their certificates of studies. Some of the men are already pastoring. We are praying with one of the men concerning his future work for the Lord. His desire is to be where God wants him.. I personally would like to see him working with us in Pernambuco, but I must remember that God calls the man, not missionaries. When we are needing men for the ministry in Pernambuco it is difficult not to step in and try to do God's work our way. This is a hard lesson to learn due to pressure to "produce", but it is best for the work. From personal experience in years past I found out the hard way.

In November we had the privilege of preaching in the anniversary of the church in Caruaru. How good it felt to see Brother Josiel in charge of the church and see the people supporting him. They are struggling some financially, but they are managing to survive. Just a couple of weeks later we received a call that Glória, a lady we lead to Christ a couple of years ago, had deceased. What a relief to be able to tell her family and friends of her eternal home in Heaven.

During the first six months of 2019 we have three more trips planned to the sertão, and that part of an 8-year project of developing Bible Institutes for them will be complete. In July we will be holding the graduation for the Bible Institute in Nova Holanda. We are already making plans for activities in other areas to assist in training men and women for the Lord's work.

The new work in Jardim Piedade is beginning to show some progress. We are facing a possible problem of needing a new place to meet. More of this as time progresses. We are using a new Bible Study for teaching in the homes, both around the church in Cajueiro Seco and in Jd. Piedade. We have had one salvation so far.

Recently I was on a flight returning from Salvador. The lady at my side was sitting in the wrong seat, but the gentleman decided to accept her aisle seat. I was reading my Bible and she began to ask questions and a conversation developed. Soon she admitted she was lost. About that time the plane started its descent into Recife. The lady lives in a state several hours from Recife. I asked her if we could do a Bible study over the Internet; she accepted the offer and about the last thing she said as we deboarded was, "Just think what God has done with a wrong seat". We have already held our first online class with her and her 18-year-old daughter. Pray for Maria and Ana. We are starting three more Bible Studies with families through internet and one in the apartment complex where we live.

Please pray for men and families for the ministry. Please pray for God's directions in our lives. I believe I know what God wants us to do for the future, and my next letter should have more specifics. Thank you in advance for your prayers.

May God bless each one of you,
