## Dear Churches and Prying Partners,

**We are excited about starting 2019 with expectations and excitement! Thank you for your faithful support!**

I find myself here on a airplane going to pick up the van that we will be using here in the US. For those of you that have not heard, we just started our one year furlough. We are excited about getting to share with churches all that God has done in Mexico! I have been thinking about all that God has done over the past 7 years in Mexico. We are leaving two churches that have been started, a Bible Seminary and 4 graduates who are serving full-time in the ministry. We have students who are also serving while finishing their

studies. This is all because of the grace of God in our lives. We did not do this. This is the work of our GREAT God! This week was sad because we had to leave some of our best friends, and yet at the same time, we are getting to see the grace of God in their lives as they take steps and take the ministry forward. Will you take a moment and pray for all that God is doing here in Mexico! We may be leaving for a time and will not be there, but we know that our God is faithful and He will remain with our team. What a joy it is to serve the Lord! Well... Please pray for both churches and the Bible Seminary! **Please could you make the change with our support address below. Thanks!**

**Spot Light:** Sergio and Karla are a couple that is currently serving in New Life Baptist Church. They are over the children's ministry and are doing a great job!
