

For I know the thoughts that I think toward you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end.

Jeremiah 29:11

February 2019

A new year has begun and along with it we all have new goals, high aspirations and fresh hopes for the coming 52 weeks. We are excited to see what God has planned for our ministry. There are so many new projects for this year. We have put our faith in Christ and we know He will be beside us every step of the way. We want to thank you for being a part of our ministry this past 2018. God did great things and we know He will continue to do so.

We finished off the year 2018 with many Christmas activities in all our churches. We had a special activity in our Bible Institute and encouraged each student to continue studying the word of God. We especially had a wonderful time celebrating Christmas with the pastors' families. Each family works so hard during the year and we enjoy taking the time to thank them and let them know that all their effort is not in vain. Please pray for each Pastors family as they keep on working for the Lord.

We also celebrated the birth of Jesus in the new mission. Many heard the gospel for the first time. And we got to have a wonderful fellowship with the children and all the new believers. We also celebrated one year since we started the mission. Several churches were invited to celebrate with us. We had a special moment to give thanks to the Lord for all the blessings God has granted us in this place. Children and adults have been hearing the gospel every Sunday for one year. We are grateful that God has allowed us to start this mission and get to know wonderful people.

Lastly, we would like to share with you a special prayer request. We have been in constant prayer for God to provide all the resources necessary to finish the church building in the new mission. The building is lacking windows, tile, and doors, among other things. Please help us pray for this special need.

We thank you for your prayers and support. We love you.
