Dear Praying Friends,

November/December 2018

"They that sow in tears shall reap in joy. He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him. Psalms 126:5-6

The new year is upon us with many challenges ahead and bright hope for the future. The Lord sure helped us to end the year with a wonderful time of "reaping". During our Tuesday evening Bible study on NAS Pensacola, we have had 4 Sailors come to know the Lord as their Saviour. For two Tuesdays in a row, while sitting in the 3rd deck lounge waiting for students to show up, I would be praying and asking the Lord to send in some new students that I could witness to. They just started filing in one by one. Moses and Javier joined me one evening, and I did find out that they were involved in a "church" but did not know the Lord. This happens often. As I began the Bible study, another Sailor, Blake, walked in and I was able to bring him up to speed with the Bible study. When these three men were asked about their eternal destination, all three stated that they were headed to the lake of fire. After explaining how to get saved, Moses and Javier repented of their sin and trusted the Lord as their Saviour! Please pray for Blake; he has moved on and, as far as I know, is not saved. In another Tuesday evening Bible study, two more Sailors walked in and put their faith in the Lord Jesus Christ as their Lord and Saviour! Please pray for Mateo and John. Mateo is from Columbia and he was religious but lost. He had many questions about the Bible and salvation. When he trusted the Lord, he called his wife and told her about what had happened that night! What a blessing! John came to the Bible study once, and then received his orders and was gone that week. Sometimes we have such a short time to reach our military personnel here on the Naval Air Station Pensacola. Please continue to pray that the door remains open! The Lord sure has been faithful.

Please continue to pray for my health. There are some needs here at the Center that need to be taken care of also. Please pray that those needs will be met. Thank you so much for the prayers over the years that have kept us going!

In all the business of the Lord,  
and in the service of the king,
