BRASILNASH

Greetings in the Name of our Lord and Savior Jesus Christ:

Good morning from the coastal Atlantic city of Jaboatão dos Guararapes, Pernambuco, neighboring city to Recife. I recently mailed our February report, but felt compelled to send this note sharing two blessings and three prayer requests.

The new mission in Jardim Piedade has suffered from the start due to location. The house where we were meeting belongs to one of the church members, he decided he was going to build on the property but said it would not affect the services. The only problem is the house is now filled with building material. **Please pray** with us as we look for a new location.

In January, a young lady began attending regularly. About three weeks later, she trusted Christ as her personal Savior. She was accompanied by her two year old and eight year old sons.

In following visits, we met her husband, who also began to attend services. During one of the visits we found her in bed sick. She told us she had just returned from the emergency room, with the following diagnosis: early stage tuberculosis. Earlier this month, Pastor Edilson was cutting grass at the mission and Suelma's husband showed up. He told Pastor Edilson that she had just passed away. God's timing is always perfect, if only we all listened as well as she did. The autopsy showed that her tuberculosis was not early stage, but advanced. That night her husband, Iran, and one of the boys were at church. I preached on the Return of Christ and during the invitation Iran gave his life to Christ, and he is being faithful in church. At the funeral, we were able to witness to Iran's aunt, who also trusted Christ. Suelma, though dead, continued to witness! **Please pray** for Iran and his two sons. He is not working. The church is helping him with some food, etc.

This past weekend, Hódes and I visited the church in Caruaru. What a blessing! They are doing some remodeling and even installed air conditioning. There were 6 new faces! One family of four and one single lady who is bringing a friend. Josiel is doing a great job.

Please pray for me for an upcoming trip. The first of April I will be traveling to Retirolandia, where I helped last month open a new work. I will spend two weeks teaching Bible Studies in several homes, as well as preaching a Bible Conference at night in a new work about 10 miles away in another city.

Thank you in advance for your prayers.

May God bless each one of you,

james nash
