Church Planting and Leader Training

Dear Pastors and Praying Partners,

We are thankful for the opportunity to be in the Lord's work! We have been getting back into how things are done here in the US. We have stayed very busy with all the travels and opportunities to teach future missionaries.

July, 2019

Our Travels

The month of June had us going out to AZ, CA and GA. We have been updating our current supporters as well as sharing the ministry with churches we have never been in before. It truly is a blessing to spend some time with those who have been praying and giving to our ministry over the past 10 years. This is truly a work that God has done and every time that we share stories with others, we see and recognize how God has been faithful! We also have been able to share the work in churches that either have contacted us or we have reached out to over the past few months. This also has been a great time getting to know new churches that God is using in a great way for world wide missions!

Big Blessing

We had 10,000 dollars given for the Building Fund over the past month! This is great news and we can see how God is allowing us to get a lot closer to getting a permanent home for New Life Baptist Church. You can give and help with the last 7,000 that is needed. We can start clearing the land and start building sometime this year with the rest of the money in hand! Keep praying!

Here to Serve,

Jonathan Anderson and Family
