

# Brittens to Britain

**Sending Church:** New Life Baptist Church, Chiang Mai, Thailand

For August / September 2019

Dear Friends,

Thank you very much for your support and prayers for our ministry to England. We are so grateful for your commitment and generosity that enables us to work here: to evangelize the community, to preach and teach the Gospel and meet the needs of people with the wisdom of God's infallible Word.

It has been a busy past few months. The Games and Gospel evening was a success with the students enjoying an evening of fun & food and a clear presentation of the Gospel. The schools are on a summer holiday break (vacation) until September but this is a ministry that we will continue with when term time commences. At the beginning of July we had the great privilege of welcoming a party on a missions trip from one of our supporters in Florida, Beacon Baptist Church, and I was delighted that they helped deliver some of our New Testaments to some local homes. Also, with Reta and Marcia on furlough in the States we have had Pastor Palmer and Mrs. Palmer (from the US but formerly serving in Lincolnshire, England) helping out with our church

ministries. So many people have been such a blessing for which I am very grateful.

As so many of you know, the ministry is peaks and valleys. I am sorry to report that we have an issue within our small church that is almost certainly going require church discipline. Please pray for me, that I will proceed with caution and wisdom as steps are taken, patience and hope for the family involved and for our church family as well. I really do appreciate your prayerful support at this time.

I want to say what a blessing my family have been to me since arriving on the mission field. Linda works constantly providing teas, coffees and lunches, Natta-cha contributes by playing the piano and with her baking skills for Tea & Cake Day (once a month) and Mai is going to take the responsibility for organizing our worship service within the next couple of weeks.

I shall look forward to updating you all again soon,

Kind regards

Missionary Tom Britten (& the Britten Family)
