

October Prayer Letter

Dear Pastor and Prayer Partner,

We are excited to write this letter as God has done some awesome stuff since writing last month!

Money for New Life building fund

God has been faithful through this whole process of purchasing land and desiring to build a building for our first church plant! We just received a large gift in the amount of just under \$15,000 dollars towards the completion of what we will need to build a church building! Please pray as we go forward with this project! Jonathan will travel to Mexico in the middle of November and will be going forward with paperwork and permission to build the church. He will also get to spend time with both churches that were started during our first term.

Cuba Initiative

Please be in prayer as Jonathan is making plans to visit Cuba for at least one week in the coming months! We have a young Cuban couple on the ground working to start a church. God has allowed us to take part in this through the influence that we have in their lives. We will give you further news as things develop with this project and church plant! Jonathan needs to make a trip and still needs the funds to make the trip. Let us know if you would like to give for this.
