Church Planting and Leader Training

Dear Pastor and Prayer Partner,

November, 2019

It's hard to believe that we are already in the month of November! This year has gone by so fast! Thank you for your prayers and continued support!

Teaching in the OGTC

One of the things that we get to do while back in the US is teach and train future missionaries that are being prepared for the mission field. This is an honor to spend time with them and share what God has done in Mexico over the past 7 years. We must invest in this generation of new missionaries who are starting deputation and arriving to the field. They are the people that will preach the Gospel and train future generations. Let us know if you would like to learn more about the Our Generation Training Center.

Trip to Mexico

Jonathan is leaving for Mexico this coming Tuesday and will be going with another missionary who wanted to make the trip with him. This will be a time to advance with the plans for the building for New Life Baptist Church. We are very excited about this knowing that the church is only 5 years old. This will be a huge help and allow the church to take more steps and pay their pastor.
