

**February, 2020**

Dear Pastor and Prayer Partner,

Life has been very busy and we are seeing our God do great things! Thank you for your prayers and support!

**Youth Pastor Conference**

We just arrived back from Cuba this past week. This was a time where we were able to do two things while there. Our main objective was to spend time with youth pastors who wanted to learn more about how to influence their youth and see more surrender to the mission field. We had them arrive to Cuba on Monday night and fly out on Friday. This was a time where they were able to see the need while talking and making plans to reach the world in their generation!

**Preaching on Missions**

God has given me the opportunity to preach on missions in many churches throughout the US while back on furlough. We are praying that God would call more workers to the mission field. We are excited to see what God is still using the local church to reach the world in our generation!

We believe that our time back on furlough is very important and we are also excited about how the churches back on the field continue to go forward!

Here to Serve,
