Church Planting and Leader Training

April 2020

Dear Pastor and Prayer Partner,

**We are having a great time serving God!  
You may be thinking, how can you say that  
in a time like this?**

Even with the lock down we have stayed safe and BUSY with lots of different projects over the past few weeks.

### Projects:

- Record and send videos and sermons to the churches in Mexico because of the virus.
- Another team is working on a booklet about how to have a missions prayer meeting with young people.
- We have a team working on "VBS in a Box" with a missions focus.
- We are also helping to edit and make available some of the greatest missions books that have been around for years.
- Our children are also recording videos that share the main focus of the book of Acts.
- I recently preached on Vision Baptist Missions Facebook page. We were having a missions revival live-streamed each night.

These are just some of the projects that are going on and we will continue to stay busy doing what we can! We still plan to be back in Mexico this year!

### Book: Unfinished

Please check out our NEW book! We believe that as you read these pages, you will come to the realization that our work in Latin America is far from over. But simply knowing about a problem isn't the same as doing something about it. What is it that God wants you to do to reach Latin America with the gospel? Let us know if you would like to get the book "Unfinished." It's available on amazon.com

### Churches in Mexico and Cuba

Both churches in Mexico and also the church in Cuba continue to go forward even though things are different right now. Please pray for these 3 churches that the believers would stay strong and continue to grow in the Lord!

Here to Serve,  
Jonathan Anderson and Family
