

*...But thanks be to God, which giveth us the victory through our Lord Jesus Christ.*

FEBRUARY 2020

*1 Corinthians 15:57*

Happy New Year! God's hand was our shelter through 2019 and we know this year will not be different. By faith, 2020 will bring great blessings, new projects, new believers will come to the Lord and all of this will take place alongside our gracious Savior.

During the month of December each church held a special service to remember and celebrate the birth of Jesus. We also had a special event at our Bible Institute. We currently have 30 students and got to have wonderful fellowship with each one of them before they left for Christmas vacation. On January, we resumed classes and all the students are back with the same passion for learning the Word of God.

We also held a special Christmas event for each Pastor and their families. They work year round non stop and God layed on our hearts to have a special day for them to enjoy and know that their hard work is valued here on earth. But we know that they are making treasures in heaven, for where your treasure is, there will your heart be also.

A couple of years ago God layed on our hearts to start a church in a rural area in Veracruz. Now, not only is there an established church but they have expanded and started a new mission in a village not far from their home church. They saw the great necessity of the gospel in this area and without a doubt started spreading the gospel in that area. We thank the Lord for Christians with great vision and love for the loss.

Please keep praying for our newest mission. Lighthouse Baptist Mission. There is still many construction details that need to be completed but most importantly, souls are being saved.

Please keep praying for us as we continue working in the Mission field. Thank you for you prayers and support.
