Dear Friends in Christ,

Just a short note to let everyone know we had to cancel our furlough. It became apparent that the panic that has gripped the world would have made it difficult if not impossible to visit the churches I was scheduled to attend. I would have been on thirteen different flights by the time I returned to Northern Ireland. Our sincerest apologies.

Can you imagine the terror that will grip the hearts of men and women during the tribulation period?

We are looking at trying to come back to the States the end of August through the first week of October. I will be contacting the different churches to see if we can reschedule these meetings. This is, of course, with a large LORD WILLING!!!

On a positive note we had a new family visit the church on Sunday morning. They are looking for a small church where they will be comfortable. We are a small church and they seemed happy with the service. Pray for God's leading in their lives.

Danny, a faithful man that attends our church, lives in a care home. This requires workers from the home to come with him and any other resident that also might come to the church. We often have those that are unsaved in the service as a result. I got to talk with one of the ladies about her need of salvation. She said she would talk with me in the near future. Pray for an opportunity to share the gospel.

Thank you so much for your continued prayers and support. We appreciate you all and need your prayers.

Yours in Christ,

*Ed + Joan Bissett*
