

**May 2020**

**Videos and Sermons**

While things have been hard not only in the US but all over the world, we have been recording sermons for the churches in Mexico. My wife also was able to record a lesson for a online conference in Chile, South America. We praise the Lord for these opportunities during this hard time.

Dear Pastor and Prayer Partner,

**We would like to start out by saying thank you for your faithful support during this difficult time in our world.**

We praise the Lord for the opportunity to get back to some of our activities that were not able to continue over the past few months.

**Share-a-ton 2020**

We planned the Share-a-ton 2020 and God blessed with over 105,000 dollars this past weekend. We are still in need of 150,000 dollars by the end of July in order to purchase the land for The Center For World Evangelism.

This will be a place that will house Vision Baptist Missions, the OG Training Center, along with other buildings that will allow our team to train more future missionaries! Please ask God how He would have you get involved in this needed land!

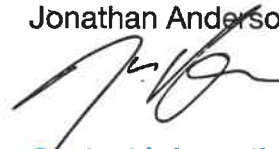

**Travels**

We are getting our schedule filled again as we talk with different churches. This has been very hard for different pastors and churches. We will continue to pray for each church as things begin to return to what we would call normal before the virus hit. We are needing to continue our travels as we need to get back to Mexico over the next few months. We have 75% of our needed monthly support.

**Churches in Mexico and Cuba**

Please continue to pray for all three churches (two in Mexico and one in Cuba) as they are having a hard time. We were able to buy a bicycle for the pastor in Cuba. We also are trying to help out the churches some in Mexico as some have not been able to work causing the churches to struggle financially.
