**“Bless the LORD, O my soul, and forget not all his benefits”
Psalm 103:2**

June of 2020

Greetings in the precious name of our Lord Jesus Christ! and we hope that during this crisis despite the virus COVID 19 are enjoying the blessings of our almighty God!

Due of this virus the instructions of our government has been not to have meetings in the churches and public establishments. For that the Pastors are having their services online and we have had suspend the work on the new Mission. That is has been so hard for us, since before the virus we were very happy raising the walls of what will be the first part of this work. Please keep praying for this place, the people have need of Jesus Christ, a month ago I was giving testimony to a worker in a business that only Jesus Christ can save and one of his coworkers who was listening approached to us and asked if he could also be saved.

Please keep praying for all this pass soon and we can continue with the construction.

Thank you for your continued prayers, financial support, and encouragement in these days!

May God Bless you,

Roberto, Rosy, Roberto Jr., Mayra & Joanna Arellano
