

Brittens to Britain

Sending Church: New Life Baptist Church, Chiang Mai, Thailand

For June 2020 / July 2020

Dear Friends,

Thank you all for your continued support of our ministry to England. As always we are blessed and encouraged knowing that we work together in partnership with all our donors.

Regarding Coronavirus: we are in a partial lockdown. The current rules in place still prohibit opening the doors of the church building for a regular meeting. The current government position is that if there is no sudden increase in the virus transmission rate then churches can resume meetings from 4th July. We could potentially have our first meeting at church on Sunday 5th July. Please pray that this is the case.

It has been a very unusual couple of months. I have been in close contact with people that attend our services and for the best part people are doing well. I mentioned in my last prayer letter how I have been streaming messages every Wednesday evening and Sunday morning. It has been a genuine encouragement to have people faithfully watching, and seeing friends and acquaintances whom I know are not saved viewing as well.

This ministry has been the silver lining in a difficult period. I am, as many are, eager to return to some kind of normality. What I have missed, apart from our regular church meetings and fellowship is the opportunity to meet people and talk about the Gospel. At this point I am unclear how long the social distancing rule will be in effect and how we can adapt our ministries to it. Giving out tracts and meeting people on the high street is bread and butter evangelism and I want to maintain that physical presence in our community. But, first things first as we wait to open up the church doors.

I do appreciate all of your prayers and support for this ministry. For those of you that are on Facebook and would like to connect with our church Facebook page please do a search for *Trinity Baptist Church Market Harborough* and send a friend request. You will find my messages on the page and it can be a good way to know what's going on with this ministry other than receiving bimonthly prayer letters.

Thank you again.

Kind regards,
Tom Britten
