

been recently saved. It is a blessing to see our members faithfully communicating the glorious gospel to friends and relatives.

Bible Institute: The online Bible school has six people registered for New Testament Survey. It is an exciting time in the expansion of the Bible School. It is especially encouraging to have the advanced Bible students proctor the online students. In addition to the online students, the classes continue via Google Meet. Christian Leadership and the Christian Family are the two current classes being taught. Additionally, Mike is teaching Biblical greek to four students from a sister church.

Prayer Requests. Salvation: The husband of a member who has been attending for five years. Two members who have not been faithful to church for several months that they would return or find another good church. Continue to pray for Mike's students and fellow teachers at University. **Faithfulness:** Pray for the Bible students to continue steadfast in their studies. Pray for a new couple in our church for spiritual growth in being newly married as well as her visa application to the USA. Pray for the new Christians to grow in the Lord and to follow the Lord in baptism after the COVID restrictions are lifted. Please also pray for wisdom and faithfulness while we continue to serve the Lord in Thailand. The longer we serve the Lord, the more we understand how weak we are.

May the Lord bless you richly as you continue to serve Him.

For Christ in Thailand,

Mike & Francis Frederick
