Church Planting and Leader Training

July, 2020

Dear Churches and Prayer Partners,

We are excited about sharing of our God's faithfulness over the last few days and weeks!

Waiting and Working

We are currently waiting to see what the leaders there in Mexico say about the Covid-19 and how soon we can return to Mexico. I was able to talk with the pastors last week and they said to wait until August to see what is happening in Toluca.

We had already planned to be back in Mexico and start a 3rd church this Fall. It seems that most churches and missionaries are needing to change plans with everything that is going on these days.

We are needing to turn our house back over here in GA and also I will be returning our ministry van at the end of July. We were praying for another place to stay and a van or something to drive. Praise the Lord, both prayer requests were answered within a week!

Support Level

We are now at 80% of our needed monthly support! Pray with us that God would touch the hearts of those who He would have partner with our church planting ministry!

Even if we end up staying a few more weeks or months, we still are making plans to return to Mexico!

Below is a list of things we need for our re-entry fund:

Vehicle - 8,000

Furniture - 3,000

Washer and Dryer - 1,100

Funds For New Church Plant - 2,000

Deposit on a House - 1,000

Plane Tickets - 2,500

Let us know if you would like to help with one of these items!
