

The Arellanos

Missionaries in Mexico

JULY 2020

The LORD is my light and my salvation; whom shall I fear? the LORD is the strength of my life; of whom shall I be afraid?

Psalms 27:1

The Lord has given us peace, courage, compassion among other things during these difficult times. As we all know, sickness and uncertainty has been surrounding us but we hold on to the promise that the Lord is our strength. Here in Mexico, from March to May all of the churches started having online services. In June, the government allowed the opening of churches but it only lasted two weeks. Once again, we are only having online services.

Each pastor and their families have been keeping in touch with each of their church members and have been constantly sharing with them the word of God. We ask you to please keep our pastors and their families in your prayers. There has been so many people diagnosed with Covid and pastors are at high risk. Many pastor friends are suffering from Covid right now and our hearts go out to those who have had family members pass away.

It seems as if everything is out of control but we have a mighty God that has everything under control. His grace is enough and God has been good to us. In good times or bad times we praise the name of the Lord!

Please keep praying for our family, our health and our community. We will remain in the mission field and keep trusting God as we have for many years.

Thank you for your prayers and support.
