Greetings once again in the name above all others, Jesus Christ the Lord!

As everybody knows that this year has been different to others, the pandemic for covid-19 changed our regular. We still with restrictions to have our regular services in the Churches but this is not problem, Pastors are preaching to their members through social media on Sunday and they can have the presential services on Wednesday.

I would like to ask you to especially pray for the Pastors Alejandro Morales, Luis Cuellar and their members; the situation here is some complicated some of them can't go to work for the pandemic and they don't receive other type of help. Also pray for a faithful member and his wife their names are Enrique and Ivonne Vallejo and are in the hospital for covid. (....The effectual fervent prayer of a righteous man availeth much. James 5:16)

I want to share you the great blessing that God gave me last week, I had the opportunity to testify a mechanic and thanks God he received to Jesus Christ as his savior! so he ask me if I could back, to talk with his son about salvation and I came back at the week and I talked with him and Praise the Lord he was save! all the Honor and Glory be to Him! ("I say unto you, that likewise joy shall be in heaven over one sinner that repenteth..." Luke 15:7)

Thank you for your continued prayers, financial support, and encouragement in these days! how could we ever thank you enough for all that you have done, and are doing to make our ministry possible, more now in this difficult times? All your support, prayers and kindness always been a blessing. Every soul that is saved and all the work done here is part of your missionary effort you have a big part and all that. We love you and ask of your prayers for all this pass soon and we will be praying for you as well.

May God Bless you,
Roberto, Rosy, Roberto Jr., Mayra & Joanna Arellano
