Church Planting and Leader Training

October 20th, 2020

Dear Pastor and Prayer Partner,

We Made It!

We are excited to say that we returned to Mexico on **October 15th!** This is what we have desired and we are very excited!

Meeting Again

We are excited to be meeting again. God has blessed and we are thankful for those who have remained faithful while we were back on furlough. We worked hard to leave leadership in place before leaving and I can say that God's church continues to move forward.

Even with the COVID we have seen God's people remain faithful to Him!

Building Project!

As many of you know, we are getting ready to build a building for our first church plant. You have given for the land and now God has blessed with the funds for the building! We had plans to build at the first of the year but with the craziness that we all have experienced, we needed to wait. We are excited to get the building up! Thank you for giving!

Thank You!

We would like to say thank you to each one that gave a special offering for our return to Mexico! Things can get expensive when you are moving from one country to another country. You are all a big blessing!

Our Luggage

Upon our arrival to Mexico, we found out that 20 bags and suitcases got left behind and did not make it on our flight. Praise God, we had the airport bring all 20 bags the next day to where we are staying! We are thankful that everything was accounted for!

Pray for us, that you might have fruit to your account!
