Missionaries in México

NOVEMBER 2020

Praise ye the LORD. O give thanks unto the LORD; for he is good: for his mercy endureth for ever.

Psalms 106:1

God has been so good to us! And we are so thankful for His salvation, for His love and grace. He has surrounded us with wonderful people, each of you are so special to us in many ways. We feel blessed and are so thankful to have you in our lives and ministry.

God has allowed us to remain in the mission field during this time of uncertainty. The government has allowed the gathering of small groups of people in churches, but with some restrictions.

Emmanuel Baptist Church, the first church we established, celebrated their 25th anniversary. We were honored to be in their celebration and praised the name of the Lord for everything he has done in this church. Twenty-five years ago we had our first service without a building, just a guitar and a small pulpit and now we can see a beautiful building, saved souls, with their own missionary program, and a passion for lost souls. God IS good!

We also want to share with you that we will soon start laying the tile at the new mission. We thank the Lord for providing! We had been praying for this need for a couple of months and we saw God's hand move in wonderful ways! We cant wait to get started and see how God will continue working in the new mission.

Please keep praying for each of our churches and also for our Bible Institute. We are having online classes and we are working with other online resources.

Thank you for you prayers and support during these months. We love you and ask you to please keep praying for my family and our ministry.

God bless you.
