Missionaries in Mexico

December of 2020

Greetings in the precious name of our Lord Jesus Christ!

We have so much to be grateful to our almighty God! For his Grace and Mercy, and the prayers of His people, We press on.

As we all know, it has been a year whose common denominator has been the Covid pandemic. Many of us have seen closely the damage that this virus causes. Last month I tested positive for this virus. I was isolated for a month and by the Grace of God and his infinite mercy I am now recovered and ready to move on. Due to this pandemic and the increase in infections that have risen to more than 800 per day, the Secretary of Health has again implemented the closure of businesses and places with large influx, the face-to-face services in our Churches being affected again. Thank God our churches continue forward and with the vision of continuing to reach lost souls. The Pastors keep to provide the service through social networks.

We want to ask for your prayers very especially first for the work that we have pending in the construction in the mission, that we can soon move forward and secondly for the plans to start a new work in the state of Coahuila in the mountains, as two hours from Monterrey, if it is His will so the Lord to open the doors for that.

Lastly, we want to wish you a Merry Christmas and a Happy New Year not without thank you again for your prayers, faithful support and encouragement through all the year, without your help we could not do it. We love you and pray for you

May God Bless you,

Roberto, Rosy, Roberto Jr., Mayra & Joanna Arellano
