

Brittens to Britain

Sending Church: New Life Baptist Church, Chiang Mai, Thailand

For January/February/March 2021

Dear Friends,

Happy New Year! Thank you all for your kindness and support. The family and I wish you all well for 2021!

All things considered we had a good Christmas and New Year as a church. While ministry could not be comparable with previous years because of the virus, we were able to do some outreach with the Gospel in our local community. In the run-up to December 25th I spent some afternoons on the town square giving out tracts and talking about the Gospel with people that took an interest. On Christmas day we had a scaled down service and lunch at the church building and I am grateful that we could be a blessing to a few visitors that would otherwise have been alone. I am also thankful for the regular visitors that have been coming to church to worship God during these difficult months.

However, this week the country was put into lockdown once again (for at least six weeks). We have taken the decision to abide by the lockdown rules and adjust again to an online ministry during this time. The good news is that the UK is now rolling out vaccines and we pray that this will start to provide the protection the population needs in order to 'reopen'. Obviously there are many variables to take into account but we thank God for the progress that has been made.

In the meantime, people are suffering. People suffer from the isolation so I will be making regular calls to those I can to encourage them with a Biblical perspective for these unusual times.

Once again, thank you for all your prayers and support. I intend this prayer letter for three months as I am not anticipating any major ministry events until after March. With more time available in lockdown I have started to write a Christian fiction story for young believers. Perhaps this is something that you can pray for...that God will grant me the faith and patience to see the project through.

Kind regards,
Tom Britten
