Dear Pastor and Church Family:

Greetings in the name of our Lord Jesús Christ! As always we are very Thank you for your faithful support and prayers for our ministry. The past year definitely the pandemic marked our lives, but still, we are incredibly grateful for what God has done and we are hopeful for what He has in store. In what has been a pretty trying last few months, it's comforting to know that we have people like you to lean on who are lifting us up to the Lord. We're so thankful for you! Although things look different, we're learning that God will not stop in His mission to draw people to Himself. There is not any circumstance that will keep Him from His ultimate goal of preserving His glory and worship.

We were praying for the God's will for to begin to support a new mission and this year we will beginning to support the Baptist Mission Eben-Ezer, located in a Village named Cienega del Toro in Galeana, NL, his Pastor is Edgar Mata. Please pray for him and his family, they have five children and living in Arteaga, Coahuila as forty minutes from the Mission.

Each year we give some christmas gifts to each Pastors and their family and thanks God last year we could do it with Pastor Mata and his family.

In spite of the pandemic, in Alianza Real Baptista Church was able to have a special service for Christmas, the children received gifts from Samaritan Purse and it was a great blessing. The Pastor and the members are visiting a neighborhood a few minutes from the church and they have been preaching and evangelizing them and Glory to God for the work some have been saved, so we ask for your prayers so that they continue to grow in the Lord.

Once again we thank you for your faithful support and please continue praying for us and for the work, we love you in the Lord and we pray that God continues to bless you richly.
