

FEBRUARY 2021

Dear Pastor and Church,

We greet you in the name of the Lord Jesus Christ. Dear brethren, just a few words to thank you for the great blessing you have been to us and give you an update of our ministry.

We are going through difficult times here in Monterrey, especially these past two months. The government has ordered, once again, the shutdown of businesses and churches during the weekend. We have had to change all the services to midweek. But we thank God that His Word is still being preached, souls continue to be saved, We don't know how long we will be in this situation but we do know our God is in control. The honor and glory be to Him.

We want to inform you that our Bible Institute continues having online classes. We started a new semester again this January. We ask for your prayers for each teacher and student. We know they are so eager to start face to face classes, but for right now we are thankful for online classes and that we can still communicate even if it is online.

We also want to share with you that we have finally finished laying the tile in the new mission, the building is completely finished and it looks beautiful.

We have a special prayer request. We ask you to please pray for my wife. She has arthritis and fractured her foot a couple of weeks ago, making it impossible for her to walk. She will be needing surgery. Please pray for her quick healing.

Once again, thank you for your support and prayers. Without your love for missions, it would be impossible for us to be in the mission field.

In Christ,
Bro Antonio and Angela Arellano
