Dear Churches and Praying Friends,

3rd Church Plant

We have some wonderful news to share with you all! During the last month we have seen seven people saved in our new church plant, Vision Baptist Church. God has truly been good to us as we have spent time sharing the gospel with different people in the new area that we are working in now. Please continue to pray; and Lord-willing, we look forward to sharing some great stories and maybe even some photos of baptisms in the near future.

New Life Baptist Church

We praise the Lord that many of the older folks in our church have already received the shot for Covid, and this also has helped more people to start coming back to church, even though we are a long way from being Covid free. The church is full with the capacity that we are able to have, and we are super excited about seeing new people visiting the church every week.

Opportunities

Please pray and see if God wants you to get involved with different projects we have happening here:

- Land purchase for our 2nd church plant - \$25,000 needed
- Bible Seminary of Mexico- \$60,000

Please pray and ask God how He would have you be involved in the ministry here in Toluca, Mexico.

Take A Missions Trip!

We have been contacted by several people, and we are excited to be hosting different mission trips for 2021-2022!

Please contact us if you would like to take part in one of these trips or come with a group to see the ministry here in Mexico.
