Sending Church: New Life Baptist Church, Chiang Mai, Thailand

For March & April 2021

Dear Friends,

A big *thank you* for your support and prayers. As always, it is encouraging to know that we have your partnership in this ministry.

I was going to hang on before sending out this prayer letter, but as we creep out of lockdown there are issues that we would appreciate your prayers for. Firstly, as many of you know, Linda's mum passed away. Thank you all for your warm messages of support that have really helped her during this time.

We are still a month or two away from reopening some of the ministries we had going: These ministries include using the premises to provide refreshments for people that we are not in a position legally to do yet. However, we will have an evangelistic presence in the town in the run-up to Easter handing out tracts and making ourselves available to present the Gospel and answer any questions people might have. Please pray that the people of Market

Harborough will be receptive to the message of Jesus Christ's death, burial and resurrection.

It is great to be back in church on Sunday morning. We miss the Brooke House students that were attending pre-Covid Sunday morning meetings so please pray they will want to come back when the country has returned to some kind of normality (whatever that means!).

Another issue that I would really appreciate prayers for is Linda's visa extension renewal application. As with the initial application that we made in Thailand there is a stack of paper work to prepare. Linda has an English language test in Cambridge this Saturday and is understandably a little nervous. Please pray specifically she will be calm.

Both Mai and Nattacha have various tests coming up. The Covid situation has disrupted the qualifications that Nattacha was due to take and we are waiting to hear from the examination board how she can progress.

General prayer requests are for health and wisdom. As we see our online culture and the culture at large become increasingly divided my request is for ever greater discernment for all of us that take the stand for Jesus Christ.

Again, thank you for all the charity! I am keen to see how God will work in all those ministries that we partnership with.

Kind regards,
Tom Britten
