Missionaries in Mexico

Dear Pastor and Church,

We hope this letter finds you well. It is almost summer and we are excited for the activities and services that we will be able to do during this new season. It is the season when we are able to do outside activities, summer camps, VBS and camp meetings. Meanwhile we would like to give you an update of our ministry during this spring.

## SPECIAL SERVICES

On April the 30th. Mexico celebrates all the children. The festivity is called Childrens´ Day. Each of our churches celebrate this special day and they go out and invite many children to come and hear the Word of God. Jesus loves the little children! This is the message we want every child to hear! They are all so special for us and are such a great blessing to our churches.

In May, we also had the opportunity to celebrate mothers day. We had a great turn out, many new ladies came to church for the first time and in our new mission two ladies accepted the Lord as their Savior. All the honor and glory be to God.

Emmanuel Baptist Church, our first church, held their annual Family Conference. It is such a special conference where all the families get together and hear the word of God. We believe in the importance of united families in the church. We pray for Gods grace for each one of these families.

We also celebrated twenty one years of Tabernacle Baptist Church, our 3rd church. It has been such a blessing seeing this church grow. They are soul winners, they love misions and love God. Please keep praying for this church and their Pastor.

Thank you for all you do for missions. We are able to be here in the mission field because of your love, prayers and support. God bless!

In Christ, Bro. Antonio and Angela Arellano
