June of 2021

Greetings in the name of our Lord Jesus Christ, hoping you are fine here, Thanks God, little by little the face-to-face activities in the churches have been normalized, and we are happy to see the enthusiasm of the members to be able to be in the house of God again!

In Alianza Real Baptist Church we had a special service for Children's Day and some parents accompanied their children for the first time. Also we were able to have a special day for the family and we can see the Holy Spirit moving in their hearts.

In Calvary Baptist Church we were able to have a special Father's day and we rejoiced because the father of a young man who has been attendance to Church since he was a child and Glory to God because of his son's testimony he came to listen to the good news of salvation.

We have been working on the mission and everything is ready for the roof so we plan to pour the concrete on Saturday the 26th. Glory to God for this new work where more souls can be saved. Please keep praying for the brothers who have been supporting us in the construction despite the weather, the temperatures have been very high and they have not left me alone; both Pastor Luis Cuellar and Alejandro Morales as well as some members of their churches have been working hard.

As we always thank you for your faithful support, it is a blessing to our ministry, we love you and we pray that God supplies each of your needs.

Yours Missionaries,

and forget not all his benefits"
