Dear Pastor and Praying Friends:

Last month has been a time of preparation for the upcoming year of our Bible college. We always pray that God will use us to train young men and women for the ministry. When we started the church 16 years ago, we had a young teen age lady surrender to the ministry. We did not know where to send her to Bible college so we started Highland Baptist Bible College with three students. She was our piano player for over 15 years. Please pray that more young people will surrender to God's will and go to our Bible college.

Recently, I was able to give the Gospel to an electrician, who had never heard the Gospel story. He was asking some questions about the free gift of God. He was raised catholic so he did not understand that salvation is not by works, prayer, or religion. After forty-five minutes, he bowed his head and called on the Lord Jesus Christ for salvation. He lives about an hour away from the church, and we are praying he can find a local New Testament church closer to his place.

One of our Bible college graduates comes from a pagan (ancestral worship) background. Over the years several of her families have been saved. She had the burden for her parents to be saved. After weeks of prayer and fasting during the covid lockdown the opportunity came for her to share the entire Gospel story with them. Months later both of her parents accepted the Lord as Saviour. They started attending the local Bible studies and sharing with their other family members. Last week, her precious mother unexpectedly went home to be with the Lord. I was given the opportunity preach several of the funeral services and give the Gospel to over 80 people. Thank God for Heaven! Thank you for your love, prayers, and support. Attached are photos of the funeral services.
