Missionaries in Mexico

SEPTEMBER 2021

Dear Pastor and Church,

We greet you in the name of the Lord Jesus Christ. Just a few words to thank you for the great blessing you have been to us and give you an update of our ministry.

God has been good to us during these uncertain times. We haven't been able to have regular services due to the contingency. During the summer the number of affected people grew quickly. Churches are only allowed to have 30% in attendance on Sundays. We continue knocking on doors and evangelizing to our people. On September, we were allowed to receive 50% of our members. Please pray so that we can quickly go back to our usual attendance. Also pray for those who have lost family members during this time. Mexico has a poor medical system, many people have not been able to get medical attention during this time. Keep Mexico in your prayers.

Although there are many restrictions, we were still able to do baptisms this month in our third church, Grace Tabernacle Baptist Church. Ten new members were baptized! Glory to God! They had a special day for baptisms and afterwards were able to share the gospel to family members of those who got baptized.

Please keep praying for the churches we have established here in Monterrey. We especially ask you to pray for Pastor Mario Hinojos, he is the pastor of the first church we established. He has been ill and had to have surgery. He is now in recovery. Pray for his complete healing. I also ask you to pray for my wife. She is on a waiting list to have surgery on her ankle and foot. She has arthritis and this has caused many difficulties. Please lift her up in prayer.

Once again, thank you for your support and prayers. Without your love for missions, it would be impossible for us to be in the mission field.

In Christ,
Bro. Antonio and Angela Arellano
