Sending Church: New Life Baptist Church, Chiang Mai, Thailand

For November & December 2021

Dear Friends,

Thank you for support and prayers these last two months.

October was a good month for the church. We hosted our first missions conference and it went well. Attendance for the meetings was better than expected and we were privileged to have missionary Pastor Jamieson of Arbury Baptist Church as our speaker. I am happy to report that we are now supporting him in his church-planting ministry.

For the past few weeks we have welcomed some new visitors to our Sunday morning service. It is always encouraging to have a room full of people but please pray that these new relationships we are forming will contribute to church growth and stability. It would be great to see someone saved but for now the people coming are Christians that have been out of church for various reasons but enjoy our services. After the lockdowns and losing a few people in the process, it is a blessing to see people responding to the ministry and I am really excited to see what God will do in, and through, the church next year.

I can hardly believe Christmas and New Year are nearly here. On top of the regular ministries that we do, we plan to have a full Christmas schedule: An outreach Christmas lunch for people to enjoy and hear the Gospel, late night shopping serving hot drinks and distributing lots of Bible tracts, and a Christmas Eve carol service. Prayer support for all our activities is welcome, specifically for soul winning.

This month is also a big one for our family. We will be moving to a new address in the coming weeks. Although the move is only to another location in the same town, there is still a lot of planning involved, so please pray for a smooth transition. Regarding health, I am thankful that we don't have any serious issues, but as the weather turns colder, both Mai and Linda suffer swelling in their fingers.

We appreciate all our supporters and thank God for your faithfulness and fellowship in Christ,

Kind regards,
Tom Britten
