Church Planting and Leader Training

Dear Pastor and Prayer Partner,

November, 2021

We would like to say thank you for the faithful support and prayers over the last few weeks. We are excited to share the latest in the ministry here!

Couples Growing

We have classes being offered for couples in the different churches. This past Tuesday night we started a class for married couples and we had a great group come out! We will run the class over the next 4 weeks. We also are planning to have a couples retreat in February between the three churches.

Church in Cuba

We are thankful that New Life Baptist Church in Cuba is making plans to meet again. After talking with Pastor Enrique, it seems that the country is beginning to open up again. This has been a very challenging time for the believers there. Please continue to pray for Pastor Enrique and his wife, Annett.

Future Church Plants

We are pushing forward with plans to start more churches in 2022 if the Lord would allow. We have young couples that desire to be involved and we are excited to see how God will use them!

Thank you again for praying for the ministry! God sure is good!
