Church Planters in Belarus

December 2021

Dear Pastor and Congregation,

We thank God for each one of you that supports us through both financial and prayer support. God has been faithful to us in the unprecedented times that we live in. The struggles are real, the battles are difficult, but by God's grace we overcome all obstacles. Amidst all the struggles, God is truly at work. It is in God that we put all our trust. We are looking forward to what God will do in these uncertain times.

English Courses

We restarted the school in the shadow of the Delta variant of Covid 19 not knowing what to expect. God has been good to us and protected us and our students. By the grace of God, we have not gotten Covid and have had very few students come down with Covid. The classes have continued with only minimal disruption. We have several students that we are witnessing to and have seen an openness to the Gospel message. Please pray that we can transition these students into our Bible study.

Weekly Bible Study

We continue to meet and have a faithful core group. We have seen the number of people drop off due to what we think are Covid fears, but we have also had new folks visit over the last few weeks and some have been consistently coming. Please pray for the lessons to bring conviction, repentance, and faith in the hearts of our students.

Health Concerns

Several in our church have been ill with Covid and other illnesses. We have a small church, so when folks aren't in their place it is quite noticeable. Recently, it has been a struggle to have even one of our members in attendance. Many are still ill, and others are caring for elderly parents who have Covid. It's been an unusual time for the church, but we continue to have a good spirit in the services. Please pray for healing among our congregation.

Upcoming Church Events

The annual ladies Christmas fellowship is coming up. Several lost ladies have said that they will come. Please pray for souls to be saved. Our winter VBS program will take place after the first of the year. We canceled the Fall program because of Covid 19. Please pray that VBS will be well attended, and that young people will be saved.

For Souls in Belarus,

The Jeff Christian Family

Received in November _____
