Church Planting and Leader Training

Dear Pastor and Prayer Partner,

January, 2022

We would like to thank you for the faithful support this past year and the continued support starting out 2022!

### Year in Review

As we look back at 2021, it truly was a crazy but wonderful year.

We started our third church plant in Mexico on March 7th. We were trusting God to change lives and we were right in the middle of Covid-19.

We started to give out invitations for the first service hoping that people would come.

We had victories but we also had battles lost. We saw many people saved, baptized, and still growing now in 2022! The church was started!

God is faithful!

We now start 2022 with more plans on the horizon and we are excited about what God has in store for the ministry and our family.

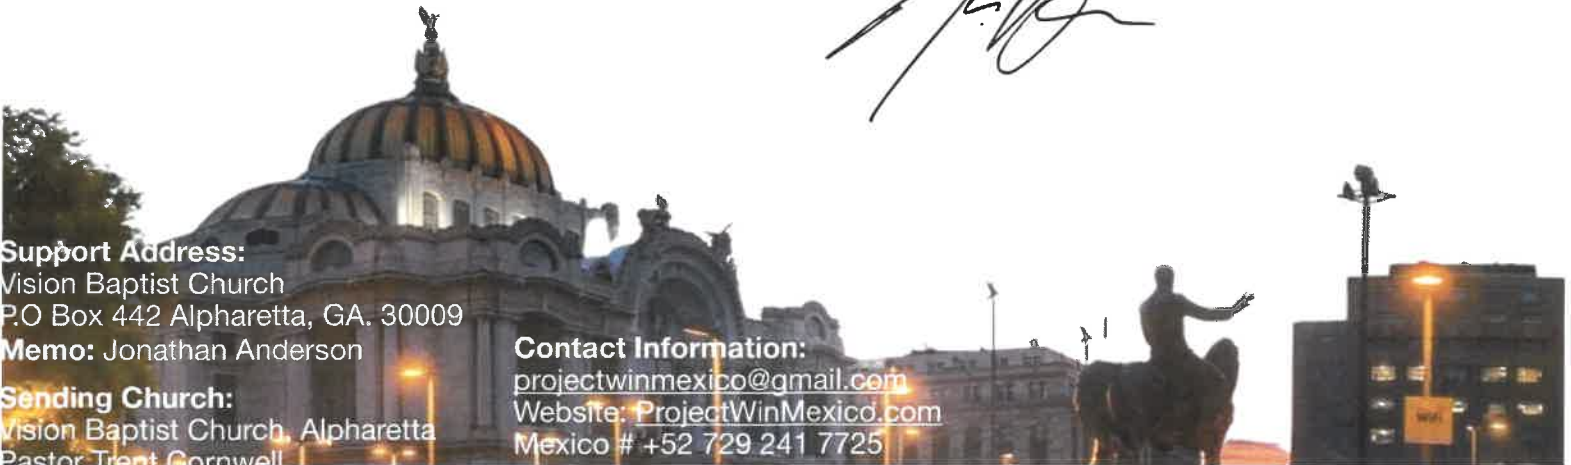

### Future Plans:

- Marriage Retreat in Feb.
- Church Planting Conf. In April.
- More classes in our Bible Seminary.
- Start working in a new area where we plan to have a new church plant.
- Summer Camps.

The devil was truly upset as we started to invade his territory with the new church plant. There is more work to be done in 2022!

Thank you again for praying and supporting the ministry! God sure is good!
