Building Update

Normally this is a post for good news. Only we have somewhat bad news. It feels like three steps forward and two back. I am not complaining and not terribly discouraged, but I want to make sure you are kept up to date.

Basically, the price of the building has been raised by over \$30,000. That means instead of having 50% of our goal, it is more like 25-30%. We are praying for the Lord's guidance as to how we should proceed. We are looking at other properties, but the cost to build places the project outside of a reasonable goal. So pray for the Lord's wisdom and provision as we seek the Lord's will concerning this project. If you feel led to give, you can send funds to the Central Missionary Clearinghouse <https://cmcmiissions.org/donate> (preferred method for accountability) or via PayPal https://paypal.me/thaimissions?locale.x=en_US or contact me to let me know of your intention to pledge to this project via email or phone (stateside number 864-561-5217). Attached is a video to give some more details.

God bless and Thanks for praying,

Mike & Frances Frederick
