## Rejoicing in Growth

Pastor Alex Reyes was ordained to the gospel ministry at the beginning of 2014 and has since been pastoring Iglesia Bautista La Verdad in Santa Barbara, Honduras. Last year, after many years of saving and praying for property, the church was able to purchase a piece of land for the future church building. On February 6, 2022, the church held its first meeting on their property in a spacious, open-air pavillion. Matt had the privilege of preaching the first message and charging the church to continue growing spiritually in order to impact the surrounding community with the gospel. It was an emotional time of rejoicing as this church plant is one step closer to becoming indigenous. Pray for the Reyes family as they minister in this needy area of Honduras.

## Investing for the Gospel

Every year our ministry hosts an enrichment conference for missionaries in the region. The purpose of the Come Away Conference is to strengthen and encourage our fellow laborers in the harvest field. We were blessed to hear challenging messages from Pastor Greg Powell of Calvary Baptist in Chattanooga, TN. Pastor Phil Lien of Castleview Baptist in Castle Rock, CO led the worship time and also taught some very practical sessions. We were able to surprise the missionary families with a specially-delivered dinner from Chick-Fil-A as well! The sixty-five missionaries in attendance returned to their ministries with a renewed zeal to advance the cause of Christ in their respective places of service.
