2021 began not so good for either Mme Wall or me if you will recall, but with your prayers, our loving Heavenly Father lifted us above the door of death, and we finished the year with unbelievable strength and accomplishments. As did some of you, we lost some very precious people to covid, accidents and health failure. One in particular you who have visited us in Lapila knew very well (FRE REZYE) who worked for us and Mme Wall in the clinic for almost 30 years graduated to Glory the week before Christmas. I have never been a proponent of cloning but always said if I ever changed my mind he would be at the top of the list. He will be greatly missed as will all the others which we loved and lost, but to God be the Glory we will soon be reacquainted when the Lord Jesus calls US home. One thing I learned from the loss is the fact that life is shorter than we think and death comes at a moment we least expect it. That being said, how is it with YOU?? Do you know for sure you will be ushered into the presence of Jesus when YOUR life comes to an end?? It didn't happen in 2021 but could very well happen in 2022 by death or the rapture which could happen before you receive this newsletter. Think deeply about THAT!!! 2021 had some chilling moments in Haiti as you very much will recall with one missionary in Cap-Haitian being shot and paralyzed and 17 other missionaries on a mission adventure to work on an orphanage being kidnapped. Praise the Lord they all survived their ordeal thanks to God's Grace and the prayers of His saints. Haiti is in desperate need of prayer and the manifestation of God's Grace as there are now over 80 gangs trying to rule the country. In 2021 there was confirmed over 900 Haitians and 55 foreigners kidnapped. The cost of food, fuel and all other commodities has more than doubled. We want to thank you who sent in financial gifts that allowed us to purchase and distribute food to the widows in Lapila which will feed them for 2-3 weeks. That's 2021 "... forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus." Missionary Flights Inc., in Fort Pierce, FL, has CONFIRMED the return flight to Pignon for the 15th of February. PLEASE!!! Pray for all the logistics to fall into place that it may become a reality. Praying we can see ya'll again soon. Here, There, or in the AIRRRRRRRRRRR!!!
