Missionaries in Mexico

Dear Pastor and Church,

Happy new year! Greetings in the name of the Lord Jesus Christ. We are starting a new year and we are excited to see what the Lord has in store for us. We know and have faith that even though these are uncertain times, God will lead us through this year and will be with us every step of the way.

In the month of December, each church had a special Christmas service. They were able to share the story of Jesus and souls were saved during the special service. God provided for each Pastor and their family to receive a special Christmas present. We gave out a total of 50 gifts.

During the second week of January, Grace Tabernacle Baptist Church, had a rally for the children and teens in their church. They spent some time in the outdoors and had a number of different activities where they learned about the Bible and had wonderful fellowship with each other.

In our new mission, they have begun to have Bible Study with the children. The study takes place in an area close to the church. This area is a conflict affected area. They have started to reach children in this area. We are praying for for changed hearts and changed lives.

Please keep praying for our ministry. Pray that we can start having Bible study in our Institute again. We have stopped due to covid restrictions. Thank you for your love and support and specially for living missions. Keep all of my family in your prayers. God bless each and everyone of you.

In Christ, The Arellanos
